 Scriptures: *Genesis 11:1-9; Romans 8:14-17; Acts 2:1-21; John 14:8-17, (25-27)*

Long, long ago, the whole earth had one language. The people built a tower that reached to heaven. It was a show down between God and humanity. God created the languages of the earth. Time passed, suddenly; there came the sound of a violent wind. People understood each other. People shouted, show us God! Today, we seek God in the lament of our day, to find the healing peace and grace of Christ breaking into our lives.
